

FLOODPLAIN DEVELOPMENT PERMIT CHECKLIST

Two hard copies and one electronic version of all of the following information shall be submitted with an application for a floodplain permit, unless one or more items are specifically waived in writing by the Floodplain Administrator (Town Administrator):

- The Land Use Application form provided by the Floodplain Administrator.
- A vicinity map indicating the location and street address (if applicable) of the property.
- A legal description of the property.
- A cover letter including a statement of the purpose of the application, a brief description of the proposal, and response to the factors for consideration of approval listed in Section 21.16.030 (b) of the Georgetown Municipal Code.
- A letter of representation, signed by the property owner(s), for any applicant that is not a property owner.
- Plans in duplicate drawn to scale showing the location, dimensions, and elevation of proposed landscape alterations, existing and proposed structures, including the placement of manufactured homes, and the location of the foregoing in relation to special flood hazard area. Additionally, the following information is required:
 - Elevation (in relation to mean sea level) of the lowest floor (including basement) of all new and substantially improved structures.
 - Elevation in relation to mean sea level to which any nonresidential structure shall be flood proofed.
 - A certificate from a registered Colorado professional engineer or architect that the nonresidential flood proofed structure shall meet the flood proofing criteria of Section 21.20.020 of the Georgetown Municipal Code.
 - A description of the extent to which any watercourse or natural drainage will be altered or relocated as a result of proposed development.
 - Location of existing drainage structures, such as French drains, water retainage basins, coverts, etc.
- An application fee per the Fee Schedule.
- A deposit to cover the reasonable anticipated costs for outside professional services.
